

**Share your time,
share your heart.**

*A kind heart, a gentle word, a simple act of love —
these are the true gifts of a volunteer.*

Dallas Retirement Village's special connection to the greater community shines brightest through the kindness of our volunteers.

Every smile, every shared story, and every moment of a volunteer's time brings joy and meaning to the residents of Dallas Retirement Village. We need YOU—because it's your skills, your talents, and your heart that help our community offer a variety of experiences that enrich the lives of the residents who call Dallas Retirement Village home.

Whether you can give an hour a day or just one afternoon a month, your presence makes a lasting difference. By volunteering, you bless the lives of others—and in return, you'll likely find your own heart touched in ways you never expected.

Volunteering isn't just about giving—it's also about receiving.

As a volunteer, you'll gain friendships, a sense of purpose, and the joy of knowing you've made someone's day brighter. Many of our volunteers tell us they leave with more than they came to give: new connections, laughter, and the fulfillment that comes from being part of something bigger than themselves.
